

It is an ABUSE of the PUBLICLY-OWNED AIRWAVES for Sinclair Broadcasting to put the slanderous film "Stolen Honor" on just before an election. Without ALSO broadcasting a pro-Kerry film and allowing time for the candidate to respond, Sinclair is trying to influence the election USING PUBLIC AIRWAVES--it's a CORPORATE CAMPAIGN CONTRIBUTION at the PUBLIC EXPENSE. It's an outrage--& NOT a matter of "free speech"--but, PROPAGANDA, that is UNworthy of an alleged democracy. Their license should be REVOKED if they do this.

By the way, I am NOT even a Kerry supporter--I'M A NADER VOTER and am weary of BOTH Republican & Democratic "dirty tricks" in this election. But, the public airwaves & democratic discourse goes beyond either candidate or this election.
